Case Study - TEWIN BURY FARM HOTEL

Tewin Bury Farm Hotel is a family owned 490 acre farm, a 29 bedroom county house hotel with a superb restaurant, 9 function/conference rooms together with their own carriage company.

Tewin Bury Farm Hotel is a truly family business, the hotel has been developed to offer it's clients complete luxury in a very relaxed surround.

The 29 bedrooms have been designed so that everyone is truly unique, their's not many hotels offering this level of service and comfort, our brief was to - ***Capture the quality of the bedrooms, conference facilities and general services available, the ambience of the surroundings.***

The client produced several high quality brochures for the different services they offer together with using photos on there web site
