## Case Study - SOUTH FARM, SHINGAY, Part 1

South farm was until recently a derelict farm until the present owners undertook a massive renovation project to create what can only be described as a remarkable make over

South farm is a distinctly different venue for for private, corporate and public occasions, family celebrations, parties, luncheons, dinners meeting, conference facilities, training, shows, fairs, garden visits and cookery classes. Our brief was simple - **take photos that portray the wonderful buildings, stunning surrounds in which South farm is set.**

I think you'll agree this is a very inviting location
