## Case Study - SOUTH FARM, SHINGAY, Part 2

South farm was until recently a venue solely for family celebrations, occasional lunches, cookery classes and garden visits, yet again the owners have set about another massive renovation project to cater for the increasing civil ceremony wedding market.

South Farm offers a charming and exclusive venue for any couple wishing to have a truly memorable Wedding Day. All wedding parties at South Farm have exclusive use of the property and full flexibility to plan the day as they wish.

We understand the importance of making your Wedding Day the best and most memorable day of your life. Our policy is to be transparent in our costing and flexible in our programme, so that you can budget accurately and adapt the facilities and services we offer to achieve the day you really want.
